

Fort Knox, Kentucky Earth Day 2005

The Fort Knox Environmental Management Division, in celebration of Army Earth Day, presented several events supporting the 2005 Army Earth Day Theme: *Sustaining the Environment for a Secure Future*.

An Earth Day Program, which featured a tree planting, was performed at eight schools on Fort Knox including Walker Intermediate School, Van Voorhis Elementary School, Kingsolver Elementary School, Scott Middle School, Mudge Elementary School, Pierce Elementary School, MacDonald Intermediate School, and Fort Knox High School. Approximately 885 students participated in the school programs.

On Earth Day, April 22, 2005, Smokey Bear and the Kentucky Division of Forestry assisted Environmental Management Division Staff by handing out seedlings at the Main PX. Over 1,000 white pine seedlings were given to the public.

And on Saturday, April 30, 2005, the Environmental Management Division Staff and Recycle Center Staff set up an Earth Day Activity Tent in the PX parking lot. The Activity Tent consisted of displays, informational brochures, crafts, and prizes.
